Re: United States v. Nachman Helbran
19 CR 497 (NSR) -01

Dear Judge Roman:

Application GRANTED.
Standby counsel directed to
provide copies of this
endorsement and the Device
Order to *pro se* Defendant and
file proof of service. Clerk of
Court requested to terminate the
motion (doc 395).
Dated: Oct. 15, 2021

SO ORDERED:

HON. NELSON S. ROMAN
UNITED STATES DISTRICT JUDGE

I was appointed along with Bruce D. Koffsky as standby counsel to *pro se* defendant Nachman Helbrans. This case is scheduled for jury selection to commence October 18, 2021. I respectfully request the Court grant an Order allowing *pro se* defendant Nachman Helbrans to bring one laptop computer and external hard drive into the Courthouse for use during the trial.

The discovery material in this case is voluminous and is contained in thousands of files turned over by Government counsel to the defense. *Pro se* defendant requires the use of "General Purpose Computing Devices", in this case a laptop computer and external hard drives.

I therefore respectfully request that the Court enter an Order allowing *pro se* defendant Nachman Helbrans to bring one laptop computer and external hard drive into the Courthouse for use during the trial. Attached to this letter application is a proposed order.

Thank you for consideration of the above.

Very truly yours,

/s/

Peter J. Schaffer
